Rick - the only change I believe in the MDP Draft #3 from Draft #2 is that the Map ID #'s have been added to the MDP in the boundary description by NBS, the map maker. They did not add them to the ER - I will do that sometime Thursday.

Thanks

Ed

Lorena is this draft 3? We already have draft 2. Is there an engineer's report for draft 3?

Good afternoon,

Attached is the MDP with Map ID's added to the assessment roll. Please let me know if you need these added to the ER as well.

We look forward to your final review and permission to begin the petition drive.

Hi Ed,

Do you have a detailed map (Appendix 2) with the ID numbers so we can verify that the boundaries read correctly?

Thanks.

Hello all - attached please find the revised (v2.0) of the San Pedro BID renewal MDP and ER. Quite a bit of re-writing was done. I hope I caught all of your comments.

I apologize for the long delays getting these changes back to you - it was a rough few months.

Thank you for your kind assistance.
